QI GONG FOR HEALING AND PREVENTION

(On-going mini massage and acupuncture sessions will be offered by The Langham, Boston)

Qi Gong is a healing form of exercise which has been practiced for thousands of years to enhance health and longevity through gentle exercise, breathing and Qi flow. Regular Qi Gong practice can be an essential component to heal and reduce stress by improving immune function, preventing and healing joint and muscle problems, and nourishing the mind.

LUNCH PROVIDED BY THE LANGHAM, BOSTON

USING BRAIN GYM® FOR DAILY LIFE SUCCESS

Brain Gym helps you focus, organize and feel more confident in your daily life. Explore the relationship between movement patterns, midlines and our behaviors. Apply this knowledge to set yourself up for success.

BEGINNING TAI CHI

Tai Chi is an ancient Chinese exercise for health, spiritual growth, and healing. The beautiful movements along with mind focus cultivate internal energy. Tai Chi is meditation in motion which helps reduce stress in our fast-paced society, thereby helping to prevent illness. Tai Chi improves balance, immune function, energy level, coordination, and mental clarity.

ADVANCED TAI CHI PRACTICE

With instruction and interactive practice, learn how to get the most from Tai Chi, and have a deeper understanding of "Qi", the life force underlying many aspects of daily life. Learn how to incorporate your mind and breathing to your Tai Chi practice, use Tai Chi principles to build strong and rooted "Qi", and use Tai Chi for daily life stress reduction.

SUNDAY 9AM-NOON

EIGHT BROCADE QI GONG

(SHORT QI GONG FORM FOR DAILY PRACTICE)

This group of eight movements originating over two thousand years ago in China is designed to tune up all organ systems for a healthier, disease-free body, through deep breathing, whole body movement, and stretching.

DIM SUM OFFERED BY THE LANGHAM, BOSTON

FIVE ELEMENTS FOOD CONNECTION
